

Love That's Gone

La Sera

I love my life without you,
You can't say a thing
I feel that I should tell you,
Can't do anything

You're holding on,
To love that's gone
And I'll be gone just as soon

I know that you'll be leaving,
Please be on your way
I hope that I don't see you
As you drive away

You're holding on,
To love that's gone
And I'll be gone just as soon

[Ooooh]

I'm better off alone now,
You might not agree
I wish that you would see, you're
Not the one for me

You're holding on,
To love that's gone
And I'll be gone just as soon

I love my life without you,
You can't say a thing
I feel that I should tell you,
Can't do anything

You're holding on,
To love that's gone
And I'll be gone just as soon

You can't say a thing,
Can't do anything,
You can't say a thing.
