

# Meanest Man

Labrinth

No matter where I've been, no better place than where I  
live  
Sometimes we stop again to show them why we first begin  
And oh oh

(Ed) I know it's been a long time so won't you say it  
again

Meanest man up in my city (2x)  
no oh  
Meanest man up in my city (3x)  
aint not time to say I look pretty

(Devlin) Check my chin and and crooked smile  
Son I'm sure it's still in Charles (this part I'm not  
sure)  
Murder any crocodile that's lurkin in the river Nile  
Maybe I should think a while  
Scrap that and think again  
I'm thinking vile, I'll fuck your bird like Harry Styles  
Barbie day
