Under the Knife

Labrinth

Say I'm beautiful, oh, say I'm beautiful It ain't perfection when you've got no soul Painkillers on the doctor's table Won't you give me back the heart I know under the knife, under the knife Carve my darkness, into light Yeah, under the knife, under the knife, knife, knife

Cut me up and I won't bleed anymore I will follow, watch in heaven I pray that one day I will be a better person I need deliverance, but is it worth it Cause somewhere in the bible says that we're all sinners Now far away from what I believe, the world is fade And I'm with the sheep So recreate me, and make me pure Maybe I'll be half the man I was before

Say I'm beautiful, oh, say I'm beautiful It ain't perfection when you've got no soul Painkillers on the doctor's table Won't you give me back the heart I know under the knife, under the knife Carve my darkness, into light Yeah, under the knife, under the knife, knife, knife, knife

Plastic surgeon, don't change my face Until the man inside deserve the same way I'll be defined in serenity, I hope that's how the people will remember me Cause it's coming quickly and it's going fast Build your house on concrete and you're bound to last Recreate me, with me whole Under the knife, deep in my soul.
