

## Short Glance

## Lacrimas Profundere

Go on go on  
One breath is guaranteed  
A short relation bleeds  
And that is what to leave  
Hold on an lead a break  
Full of tumbling sheets  
Or what we can believe  
I cannot leave your eyes  
Or think that it's over  
You shouldn't hold me back  
Please understand what you did  
And go away later  
I swear I will hold on  
We crush in tears  
And threats are far away  
A long yearning  
We shouldn't calm on them  
And all the sickest lies  
I can't believe it's over and it's clear  
And you don't hear  
Your love's my heroin
