

Veins

Lacrimas Profundere

I Just Swear
You Will Lie There To My Feet
That Will Taste So Sweet While You Bleed And...

You, Try To Tear Me Out
I Am In Your Veins
I Am In Your Mouth
You Can't Get Rid Of Me

Run Away
It Doesn't Matter
I Will Stay Next To You To Say You're A Liar And...

You, Try To Tear Me Out
I Am In Your Veins
I Am In Your Mouth
You Can't Get Rid Of Me
