

# Angel's Punishment

Lacuna Coil

Destruction

War

To fight in defence  
Forgotten words  
of friendly hate

war - destruction  
war - destruction

I don't know why  
A soul deceased  
A broken hope  
A choking breeze

war - destruction  
war - destruction

Can't you take me away from your lies?

Destruction

Dark paradise  
Collecting souls  
To analyze

war - destruction  
war - destruction

The bitter blood  
of a children's cry  
inside the truth  
far from my sky

war - destruction  
war - destruction

Can't you take me away from your lies?
