

# I Won't Tell You

Lacuna Coil

I cannot tell you, you're falling apart  
Open your eyes if you wanna survive  
I want to tell you, your love is a lie  
But I won't tell you, I won't tell you

I can't leave this, I am fine inside it  
I don't feel bliss and I just keep hiding  
I've been burnt so bad but I still play with fire  
Sometimes naked truth is what I don't believe in

I cannot tell you, you're falling apart  
Open your eyes if you wanna survive  
I want to tell you, your love is a lie  
But I won't tell you, I won't tell you

I cannot get so deep into this now  
I can't admit that I know what I know  
And I want to tell you, your love is a lie  
I won't tell you, I won't tell you

It's hard to hear through the static again  
It's never clear until the rush of pain  
I'll never tell you, I'm living a lie  
In this confusion, I feel alive

I've been burnt so bad but I still play with fire  
Sometimes naked truth is what I can't believe in

I cannot tell you, you're falling apart  
Open your eyes if you wanna survive  
I want to tell you, your love is a lie  
But I won't tell you, I won't tell you

I cannot get so deep into this now  
I can't admit that I know what I know  
And I want to tell, you your love is a lie  
I won't tell you, I won't tell you

Don't ever tell me, I'm falling apart  
Don't ever tell me, I will not survive  
Don't ever tell me this love is a lie  
'Cause I'm the lie, I'm the liar

I cannot tell you, you're falling apart  
Open your eyes if you wanna survive  
I want to tell you, your love is a lie  
But I won't tell you, I won't tell you

I cannot get so deep into this now  
I can't admit that I know what I know  
And I want to tell you, your love is a lie  
I won't tell you, I won't tell you  
I won't tell you
