

# Live to Tell

Lacuna Coil

I have a tale to tell  
Sometimes it gets so hard to hide it well  
I was not ready for the fall  
Too blind to see the writing on the wall  
Too blind to see the writing on the wall

A man can tell a thousand lies  
I've learned my lesson well  
Hope I live to tell  
The secret I have learned, 'till then (it will burn inside of me)  
It will burn inside of me

Live to tell

I know where beauty lives  
I've seen it once or twice  
I know the warm she gives  
The light that you could never see  
It shines, it shines, it shines inside  
You can't take that from me  
It shines inside, you can't take that from me

A man can tell a thousand lies  
I've learned my lesson well  
Hope I live to tell  
The secret I have learned, 'till then (it will burn inside of me)

The truth is never far behind  
You kept it hidden well  
If I live to tell  
The secret I knew then  
Will I ever have the chance again

If I ran away, I'd never have the strength  
To go very far  
How would they hear the beating of my heart  
Will it grow cold  
The secret that I hide, will I grow old  
How will they hear  
When will they learn  
How will they know

A man can tell a thousand lies  
I've learned my lesson well  
Hope I live to tell  
The secret I have learned, 'till then (it will burn inside of me)

The truth is never far behind  
You kept it hidden well  
If I live to tell  
The secret I knew then  
Will I ever have the chance again
