

Swamped

Lacuna Coil

When you're taught through feelings (4x)

Destiny flying high above
all I know is that you can realize it

Destiny who cares
as it turns around
and I know that it descends down on me

It's just another day
the shame is gone
hard to believe
that I've let it go

Destiny can't replace my life
Scary shadows of my past
are alive

Destiny who cares
as it turns around
and I know that it descends
with a smile

It's just another day
the shame is gone
it's hard to believe
that I've let it go away
It's just a melody
it bleeds in me
hard to believe
that I've let it go

When you're taught through feelings (4x)

It's just another day
the shame is gone
it's hard to believe
that I've let it go away
It's just a melody
it bleeds in me
hard to believe
that I've let it go
let it go, let it go
