What a day
I can barely keep my eyes wide open
I don't wanna see straight
What a day
feels like my breath is heavy again
and I'm totally faded

Come to me
come to me
I am waiting for you
come to me
I can't wait

Follow me, follow me as I trip the darkness one more time
Follow me, follow me
I awake from madness
just in time

What a day seconds, minutes and hours spill over there's no time here in space What a day I see beauty in everything but the world is still fading away

What a day
I can barely keep my eyes wide open
I don't wanna see straight
What a day
seconds, minutes and hours spill over
there's no time here in space

come to me I am waiting for you
