

Slow Down

Lacy J. Dalton

Slow down, we don't have to fight it
Hey, slow down, we're rushing the night away
Going too fast, let's make it last
All night long

All day, we've both had to hurry
But all night, we don't have to worry
There's plenty of time, so let's pour the wine
And slow down

Let's make every hour
Seem just like a year
Let's count every heartbeat, babe
Before they disappear

Slow down
Slow down

Let me look you over, baby
Let me tell you this
I'd love to start the lovin'
With this whole world's longest kiss

Slow down, just lay in my arms, oh, I'll slow down
And it won't be long till I love you
And then I'll love you again
Just slow down

Slow down, we don't have to fight it
Hey, slow down, we're rushing the night away
Going too fast, let's make it last
All night long
