

# I Run to You

Lady Antebellum

I run from hate  
I run from prejudice  
I run from pessimists  
But I run too late  
I run my life  
Or is it running me  
Run from my past  
I run too fast  
Or too slow it seems  
When lies become the truth  
That's when I run to you

This world keeps spinning faster  
Into a new disaster so I run to you  
I run to you baby  
And when it all starts coming undone  
Baby you're the only one I run to  
I run to you

We run on fumes  
Your life and mine  
Like the sands of time  
Slipping right on through  
And our love's the only truth  
That's why I run to you

This world keeps spinning faster  
Into a new disaster so I run to you  
I run to you baby  
And when it all starts coming undone  
Baby you're the only one I run to  
I run to you

ooohhh  
I run to you

This world keeps spinning faster  
Into a new disaster so I run to you  
I run to you baby  
And when it all starts coming undone  
Baby you're the only one I run to  
I run to you
