

Love I've Found in You

Lady Antebellum

Well I bet my buddies are out on the town tonight
Dancing in this pub, in the glow with the neon lights
I'm sure they're out there cutting up and drinking
But I don't mind cause I got you by my side
Wearing my old sweatshirt and your favorite pair of jeans
Barefoot on the couch, curled up next to me
Oh, I got everything I've ever needed
In you, I found it in you

Chorus:

Well maybe I'm just lucky
But maybe that's okay
Some people search the whole world over
Just to find a love, that's even half as true
As the love I've found in you
Uh uuu

Well I wonder where I'd be if the Lord hadn't heard my prayer
The one I said every night till the day that you got here
You showed me how to live and love forever
With you, oh baby I love you

Chorus:

Well maybe I'm just lucky
But maybe that's okay
Some people search the whole world over
Just to find a love, that's even half as true
As the love I've found in you
Uh uuu

Somethings really last forever
And somethings are meant to be
Like you and me
Oooh yeah
Let your love shine on
Shine on and on and on
Oooh, oh yeah

Chorus:

Well maybe we're just lucky
But maybe that's okay
Some people search the whole world over
Just to find a love, that's even half as true
As the love I've found in you
Uh uuu
