

# Love I've Found in You

Lady Antebellum

Well I bet my buddies are out on the town tonight  
Dancing in this pub, in the glow with the neon lights  
I'm sure they're out there cutting up and drinking  
But I don't mind cause I got you by my side  
Wearing my old sweatshirt and your favorite pair of jeans  
Barefoot on the couch, curled up next to me  
Oh, I got everything I've ever needed  
In you, I found it in you

Chorus:

Well maybe I'm just lucky  
But maybe that's okay  
Some people search the whole world over  
Just to find a love, that's even half as true  
As the love I've found in you  
Uh uuu

Well I wonder where I'd be if the Lord hadn't heard my prayer  
The one I said every night till the day that you got here  
You showed me how to live and love forever  
With you, oh baby I love you

Chorus:

Well maybe I'm just lucky  
But maybe that's okay  
Some people search the whole world over  
Just to find a love, that's even half as true  
As the love I've found in you  
Uh uuu

Somethings really last forever  
And somethings are meant to be  
Like you and me  
Oooh yeah  
Let your love shine on  
Shine on and on and on  
Oooh, oh yeah

Chorus:

Well maybe we're just lucky  
But maybe that's okay  
Some people search the whole world over  
Just to find a love, that's even half as true  
As the love I've found in you  
Uh uuu
