

# Our Kind of Love

Lady Antebellum

Here we go!

You wear your smile like a summer sky  
Just shining down on me and you  
I swear your heart is a free bird  
On a lazy Sunday afternoon

I love the way that you were up for anything  
Never worried 'bout what people say  
That's right, oh that's right  
What we got is

Just like driving on an open highway  
Never knowing what we're gonna find  
Just like two kids, baby, always trying to live it up  
Whoa, yeah, that's our kind of love  
Mm that's our kind of love

Skipping rocks and leaving footprints  
Down along the riverbank  
Always holding hands, never making plans  
Just living in the moment, babe

> You get me laughing with those funny faces  
You somehow always know just what to say  
That's right, oh that's right  
What we got is

Just like driving on an open highway  
Never knowing what we're gonna find  
Just like two kids, baby, always trying to live it up  
Whoa, yeah, that's our kind of love  
That's our kind of love

Oh that's right, baby you and I  
What we got is

Just like driving on an open highway  
Never knowing what we're gonna find  
Just like two kids, baby, always trying to live it up  
Whoa, oh  
Just like driving on an open highway  
Never knowing what we're gonna find  
Just like two kids, baby, always trying to live it up  
Whoa, yeah, that's our kind of love

Oo, that's our kind of love  
Oh, that's our kind of love

1,2,3, here we go!  
Oo, yeah  
That's our kind of love, girl  
Dontcha know it
