

Wanted You More

Lady Antebellum

I kept waiting on a reason
And a call that never came
No I never, saw it comin'
Somethin' in you
Must have changed

All the words unspoken
Promises broken
I cried for so long.
Wasted too much time
Should have seen the signs.
Now I know, just what went wrong

I guess I wanted you more
And looking back now I'm sure
I wanted you more
I guess I wanted you more

All the nights we spent just talkin'
Of the things we wanted out of life (out of
life)
Makin' plans and dreams together
I wish I'd seen I was just too blind
My heart was open
Exposed and hoping
For you to lay it on the line
But in the end it seemed
There was no room for me
Still I tried, to change your mind.

I guess I wanted you more
And looking back now I'm sure
I wanted you more
I guess I wanted you more

Ohhh, I don't need you
I don't need you anymore

I guess I wanted you more
And looking back now I'm sure
I wanted you more
I guess I wanted you more

I don't need you
I don't need you anymore
