

# What If I Never Get Over You

Lady Antebellum

It's supposed to hurt, it's a broken heart  
But the moving on is the hardest part  
It comes in waves, the letting go  
But the memory fades, everybody knows, everybody knows

What if I'm trying, but then I close my eyes and then I'm right  
back  
Lost in that last goodbye, what if time doesn't do what it's supposed to do?  
What if I never get over you?

Maybe months go by, maybe years from now  
And I meet someone and it's working out  
Every now and then, he can see right through  
'Cause when I look at him, yeah, all I see is you

What if I'm trying, but then I close my eyes and then I'm right  
back  
Lost in that last goodbye, what if time doesn't do what it's supposed to do?  
What if I never get over you?

Ooh yeah  
What if I never get over?  
What if I never get closure?  
What if I never get back all the wasted words I told you?  
What if it never gets better?  
What if this lasts forever and ever and ever, I'm tryin'

But then I close my eyes and then I'm right back  
Lost in that last goodbye, what if time doesn't do what it's supposed to do?  
What if I never get over you?

What if I gave you everything I got  
What if your love was my one and only shot  
What if I end up with nothing to compare it to  
What if I never get over you  
What if I never get over you?  
What if I never get over you?  
What if I never get over you?
