Always Remember Us This Way

Lady Gaga

That Arizona sky burning in your eyes You look at me and, babe, I wanna catch on fire It's buried in my soul like California gold You found the light in me that I couldn't find

So when I'm all choked up And I can't find the words Every time we say goodbye Baby, it hurts When the sun goes down And the band won't play I'll always remember us this way

Lovers in the night Poets trying to write We don't know how to rhyme But damn we try But all I really know You're where I wanna go The part of me that's you will never die

So when I'm all choked up But I can't find the words Every time we say goodbye Baby, it hurts When the sun goes down And the band won't play I'll always remember us this way

Oh, yeah I don't wanna be just a memory, baby, yeah

When I'm all choked up But I can't find the words Every time we say goodbye Baby, it hurts When the sun goes down And the band won't play I'll always remember us this way, oh, yeah

When you look at me And the whole world fades I'll always remember us this way
