

# Before I Cry

Lady Gaga

I can't believe the things you said  
Right now I wish that you would try  
Try to stay near me  
Try to be near me  
Before I cry

'Cause I am gonna need a well  
To catch the pain and lift the spell  
Like you won't hear me  
Can you try and heal me  
Before I cry

Hurry up, hurry up  
Before I lose you  
Hurry up, hurry up  
Before you lose me too  
Hurry up, hurry up  
Before I change my mind

'Cause I'm gonna cry  
If you say you don't need me  
I'm gonna cry if you act like you don't care  
Promise me, baby, you know I can't fake it  
Why don't you hold me?  
Tell me you love me  
Before I cry  
Before I cry

Could you please find another way?  
I start to think I'm insane  
Trying to stay here  
Let me just lay here  
Before I cry

Hurry up, hurry up  
Before I lose you  
Hurry up, hurry up  
Before you lose me too  
Hurry up, hurry up  
Before I change my mind

'Cause I'm gonna cry  
If you say you don't need me  
I'm gonna cry if you act like you don't care  
Promise me, baby, you know I can't fake it  
Why don't you hold me?  
Tell me you love me  
Before I cry  
Before I cry

I'm 'bout to lose it  
Is that so confusing  
Am I just repeating myself?  
Say something loving to me before I crumble  
Tell me, tell me, tell me

'Cause I'm gonna cry

If you say you don't need me  
I'm gonna cry if you act like you don't care  
Promise me, baby, you know I can't fake it  
Why don't you hold me?  
Tell me you love me  
Before I cry  
Before I cry  
Before I cry

Have I said what I needed to say?  
Have you said what you wanted to say?  
Did you say what you wanted to say?  
Would you try and stop me before I cry?
