Lady Gaga

Cherry cherry  
Boom boom  
GaGa

Boy, we've had a real' good time  
And I wish you the best on your way  
Eh  
I didn't mean to hurt you  
I never thought we'd fall out of place  
Eh eh

I have something that I love long-long  
But my friends keeping telling me that something's wrong  
Then I met someone

And babe, there's nothing else I can say  
Eh eh  
There's nothing else I can say  
Eh eh  
I wish you'd never looked at me that way  
Eh eh  
There's nothing else I can say  
Eh eh

Not that I don't care about you  
Just that things got so compliquées  
Eh  
I met somebody cute and finally got each other  
And that's funny  
hey, eh eh

I have something that I love long-long  
But my friends keeping telling me that something's wrong  
Then I met someone

And babe, there's nothing else I can say  
Eh eh  
There's nothing else I can say  
Eh eh  
I wish you'd never looked at me that way  
Eh eh  
There's nothing else I can say  
Eh eh

Eh eh, eh eh, eh  
Eh eh, eh eh, eh

I have something that I love long-long  
But my friends keeping telling me that something's wrong  
Then I met someone

And babe, there's nothing else I can say  
Eh eh, eh...  
Eh eh  
There's nothing else I can say  
Eh eh,  
I wish you'd never looked at me that way

Eh eh,

There's nothing else I can say

Eh eh (eh eh)

I wish you'd never looked at me that way

Eh eh (eh eh)

There's nothing else I can say

Eh eh (eh eh)

hey

Cherry cherry, boom boom

Eh eh, hey,

Oh yeah

All I can say is eh eh
