Government Hooker

We had our night Our real nature, No more time to decide, Let it climb, let it ignite

I can be cool I can be anything I'll be your everything Just touch me baby

Hooker Hooker Government Hooker

(That girl better turn around)
(Get her on the ground)
(That girl better turn around)
(Get down)

Government Hooker, hooker She wrote her heart prayer Pull the trigger off And shape sounds of her sister

I'm gonna drink my tears tonight I'm gonna drink my tears and cry 'Cause I know you love me baby

Government Hooker, Hooker, Heart to heart prayer, She faked pulling the trigger Daddy, mommy has made a crigger

Hooker Hooker Government Hooker

(That girl better turn around)
(Get her on the ground)
(That girl better turn around)
(Get down)

I'm gonna drink my tears tonight I'm gonna drink my tears and cry 'Cause I know you love me baby

Put your hands on me John F. Kennedy I'll make you squeal baby

Love, Love The placenta you were born And now you strove The sex is good, invite your mates

Government Hooker, hooker She wrote her heart prayer Lady Gaga

Pull the trigger off And shape sounds of her sister

I'm gonna drink my tears tonight I'm gonna drink my tears and cry 'Cause I know you love me baby
