

## Hey Girl

Lady Gaga

Hey girl, can you hear me  
Are you holding out your heart?  
Hey girl, do you feel me? sometimes I go too far  
Hey girl, it ain't easy  
I know it's pulling me apart  
Hey girl, don't you leave me  
Hey girl, don't you leave me  
Hey girl  
Hey girl  
We can make it easy if we lift each other  
We don't need to keep on one-up another
