

Highway Unicorn (Road to Love)

Lady Gaga

We can be strong, we can be strong
Out on this lonely road, on the road to love
We can be strong, we can be strong
Follow that unicorn on the road to love

Run, run with the t- [repeats]

Run, run with the top down baby, she flies
Run, run with the fury of the saint in her eyes
Run, run hide your cha-cha, baby she goes
With blonde hair and a gun smoking under her toes

Ride, ride, pony, ride, ride
Ride, ride, pony, tonight

We can be strong, we can be strong
Out on this lonely road, on the road to love
We can be strong, we can be strong
Follow that unicorn on the road to love

I'm on the road, I'm on the road to love

I'm on the road, I'm on the road to love

She's just an American riding a dream
And she's got rainbow syrup in her heart that she bleeds
They don't care if your papers or your love is the law
She's a free soul burning roads with the flag in her bra

Ride, ride, pony, ride, ride
Ride, ride, pony, tonight

We can be strong, we can be strong
Out on this lonely road, on the road to love
We can be strong, we can be strong
Follow that unicorn on the road to love

I'm on the road, I'm on the road to love
I'm on the road, I'm on the road to love

Get your hot rods ready to rumble 'cuz we're gonna fall in love
tonight
Get your hot rods ready to rumble 'cuz we're gonna drink until
we die
Get your hot rods ready to rumble 'cuz we're gonna fall in love
tonight
Get your hot rods ready to rumble 'cuz we're gonna drink until
we die
