Let's Face the Music and Dance

Lady Gaga

There may be trouble ahead But while there's moonlight and music and love and romance Let's face the music and dance

Before the fiddlers have fled Before they ask us to pay the bill And while we still have the chance Let's face the music and dance

Soon, we'll be without the moon Humming a different tune And then...

There may be teardrops to shed So while there's moonlight and music and love and romance Let's face the music and dance

Soon, we'll be without the moon Humming a different tune And then...

Let's face the music and dance

There may be teardrops to shed So while there's moonlight and music and love and romance Let's face the music and dance Dance
