

Manicure

Lady Gaga

Put some, lipstick on
Perfume your neck, and slip your high heels on
Rinse, and curl your hair
Loosen your hips, and get a dress to wear

I'm the one who's
Been coming around, looking to love-in-you
You're the medicine, I need to heal
The way you make me feel...!

I'm going to be manicured
He want to be manicured
Ma ma ma manicure
She wants to be manicured

Salon's enough for her
Not to feel so insecure
Ma ma ma manicure
She won't be together, no

Can you feel it?
Can you feel it?
Can you feel it?
I'm addicted to the love that you give me
Can you feel it?
Can you feel it?
Can you feel it?
Like a serial killer, man is a goner

Touch me, in the dark
Put your hands all over my body parts
Throw me, on the bed
Squeeze, tease, and please do what I said!

'Cause I'm the chick whose
Been coming around looking to love-in-you
You're the medicine, I need to give away
The way you make me feel... manicured

I'm going to be manicured
He want to be manicured
Ma ma ma manicure
She wants to be manicured

Salon's enough for her
Not to feel so insecure
Ma ma ma manicure
She won't be together, no

Can you feel it?
Can you feel it?
Can you feel it?
I'm addicted to the love that you give me
Can you feel it?
Can you feel it?
Can you feel it?
Like a serial killer, man is a goner
