

Million Reasons

Lady Gaga

You're giving me a million reasons to let you go
You're giving me a million reasons to quit the show...
You're givin' me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons
If I had a highway, I would run for the hills
If you could find a dry way, I'd forever be still
But you're giving me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons

Ref.:

I bow down to pray
I try to make the worse seem better
Lord, show me the way
To cut through all his worn out leather
I've got a hundred million reasons
to walk away
But baby, I just need one good one to stay

Head stuck in a cycle, I look off and I stare
It's like that I've stopped breathing, but completely aware
'Cause you're giving me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons
And if you say something that you might even mean
It's hard to even fathom which parts I should believe
'Cause you're giving me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons

Ref. (1x)

Hey, eh, eh, eyy
Baby I'm bleedin', bleedin'
Stay, eh, ehhy
Can't you give me what I'm needin', needin'
Every heartbreak makes it hard to keep the faith
But baby, I just need one good one
Good one, good one, good one, good one, good one

Ref:

But baby, I just need one good one, good one
Tell me that you'll be the good one, good one
(Baby, I just need one good one to stay)
