

## Nature Boy

Lady Gaga

There was a boy  
A very strange, enchanted boy  
They say he wondered very far  
Very far over land and sea  
A little shy and sad of eye  
But very wise was he  
And then one day  
One magic day, he passed my way

And while we spoke of many things, fools and kings  
This, he said to me  
The greatest thing you'll ever learn  
Is just to love and be loved in return

And then one day  
One magic day, he passed my way  
And while we spoke of many things, fools and kings  
This, he said to me

The greatest thing you'll ever learn  
Is just to love and be loved in return
