I was walking along, minding my business, When out of the orange colored sky, Flash, bam, alacazam, Wonderful you came by.

I was humming a tune, drinking in sunshine, When out of that orange colored view Wham, bam, alacazam, I got a look at you.

Oh one look and I yelled timber.
Watch out for flying glass.
Cause the ceiling fell in and the bottom fell out
I went into a spin and I started to shout
I've been hit, This is it, this is it.

I was walking along minding my business When love came and hit me in the eye Wham, bam, alacazam,
Out of the orange colored sky

Oh, one look and I yelled timber. Watch out for flying glass.

Cause the ceiling fell in and the bottom fell out I went into a spin and I started to shout I've been hit, This is it, this is it.

I was walking along minding my business
When love came and hit me in the eye
Wham, bam, alacazam,
Out of the orange colored, purple striped, pretty green polka d
ot sky
Flash, bam, alacazaaam,
And good bye, good bye.
