

# So Happy I Could Die

Lady Gaga

I love that lavender blonde  
The way she moves  
The way she walks  
I touch myself can't get enough  
And in the silence of the night  
Through all the tears  
And all the lies  
I touch myself and it's alright

Just give in  
Don't give up baby  
Open up your heart and your mind to me

Just know when  
That glass is empty  
That the world is gonna bend

Happy in the club with a bottle of red wine  
Smiles in our eyes 'cuz we're having a good time

Eh-eh  
Eh-eh  
So happy I could die  
Be your best friend  
Yeah I'll love you forever  
Up in the clouds  
We'll be higher than ever

Eh-eh  
Eh-eh  
So happy I could die  
And it's alright

I am as vain as I allow  
I do my hair  
I gloss my eyes  
I touch myself all through the night  
And when something fall out of place  
I take my time  
I put it back  
I touch myself  
Till I'm on track

Just give in  
Don't give up baby  
Open up your heart and your mind to me

Just know when  
That glass is empty  
That the world is gonna bend

Happy in the club with a bottle of red wine  
Smiles in our eyes 'cuz we're having a good time

So happy I could die  
Be your best friend  
Yeah I'll love you forever

Up in the clouds  
We'll be higher than ever

So happy I could die  
And it's alright  
Happy in the club with a bottle of red wine  
Stars in our eyes 'cuz we're having a good time

So happy I could die  
Be your best friend  
Yeah I'll love you forever  
Up in the clouds  
We'll be higher than ever

So happy I could die  
And it's alright
