

Why Did You Do That?

Lady Gaga

Why do you look so good in those jeans?
Why'd you come around here with an ass like that?
You're making all my thoughts obscene
This is not, not like me
Why you keep on texting me like that?
Got other things I need my mind on, yeah
Other responsibilities
This is not, not like me

Why did you do that
Do that, do that, do that, do that to me?
Why did you do that
Do that, do that, do that, do that to me?
Why did you do that
Do that, do that, do that, do that to me?
Why did you do that?
Why did you do that?

Boy, could you please stop being so fine?
When I stare at you I wish I were blind
'Cause I begin to lose control
No I can't, can't let go
'Cause ever since I met you I've been praying on my knees
I knew all this time that you would never leave
But I'm the kind of girl that always needs to be free

Why did you do that
Do that, do that, do that, do that to me?
Why did you do that
Do that, do that, do that, do that to me?
Why did you do that
Do that, do that, do that, do that to me?
Why did you do that?
Why did you do that?

I can't stop talking about what you do to me
You keep keeping me from how I'm supposed to be
To be

Why did you do that
Do that, do that, do that, do that to me?
Why did you do that
Do that, do that, do that, do that to me?
Why did you do that
Do that, do that, do that, do that to me?
Why did you do that?
Why did you do that?
