

Another Runaway

Ladyhawke

I never said i was a one time woman
I never wrote it
I never said it
I should have known you`d leave me out here hanging on
I should have seen it
I didn`t get it

Oh oh oh i don`t believe it
Oh oh oh you never mean it

It`s too late, it`s too late, it`s too late to call back yester
day
It`s too late, it`s too late i`m just another runaway
It`s too late, it`s too late, it`s too late to call back yester
day
It`s too late, it`s too late i`m just a
Another runaway, another runaway
Another runaway, another runaway

You always said i was your part time woman
I don`t believe it
I didn`t see it
You always acting like a part time wanna be
I shoulda seen it
I didn`t get it

Oh oh oh i don`t believe it
Oh oh oh you never mean it

It`s too late, it`s too late, it`s too late to call back yester
day
It`s too late, it`s too late i`m just another runaway
It`s too late, it`s too late, it`s too late to call back yester
day
It`s too late, it`s too late i`m just a
Another runaway, another runaway
Another runaway, another runaway
Another runaway, another runaway

Oh oh oh i don`t believe it
Oh oh oh you never mean it

It`s too late, it`s too late, it`s too late to call back yester
day
It`s too late, it`s too late i`m just another runaway
It`s too late, it`s too late, it`s too late to call back yester
day
It`s too late, it`s too late i`m just a

Another runaway, another runaway
Another runaway, another runaway
