## **Another Runaway**

Ladyhawke

I never said i was a one time woman I never wrote it I never said it I should have known you'd leave me out here hanging on I should have seen it I didn`t get it Oh oh i don`t believe it Oh oh oh you never mean it It's too late, it's too late, it's too late to call back yester day It's too late, it's too late i'm just another runaway It's too late, it's too late, it's too late to call back yester day It`s too late, it`s too late i`m just a Another runaway, another runaway Another runaway, another runaway You always said i was your part time woman I don`t believe it I didn`t see it You always acting like a part time wanna be I shoulda seen it I didn`t get it Oh oh oh i don`t believe it Oh oh oh you never mean it It's too late, it's too late, it's too late to call back yester day It`s too late, it`s too late i`m just another runaway It's too late, it's too late, it's too late to call back yester day It`s too late, it`s too late i`m just a Another runaway, another runaway Another runaway, another runaway Another runaway, another runaway Oh oh oh i don`t believe it Oh oh oh you never mean it It's too late, it's too late, it's too late to call back yester dav It`s too late, it`s too late i`m just another runaway It's too late, it's too late, it's too late to call back yester dav It`s too late, it`s too late i`m just a

Another runaway, another runaway Another runaway, another runaway
