

# My Delirium

Ladyhawke

Late night, Waiting by the phone  
Tonight waiting for an answer  
Heartbeat drumming double time  
I need one more chance to be near you

Still hanging on (for what)  
Cant operate (fired up)  
I wont eat and I won't sleep for you yeah  
No rest till I (get through)  
'Coz Im holding out (for you)  
Am I the only one whos insane

Hey youre playing with my delirium  
And the longer I wait the harder Im gonna fall  
Stop playing with my delirium  
'Coz Im outta my head and outta my self control

Still here in this quiet room  
Deep in delusion sending me over  
Outside watch the world go by  
Inside time stands still as I wonder

Still hanging on (for what)  
Cant operate (fired up)  
I wont eat and I won't sleep for you yeah  
No rest till I (get through)  
'Coz Im holding out (for you)  
Am I the only one whos insane

Hey Youre playing with my delirium  
And the longer I wait the harder Im gonna fall  
Stop playing with my delirium  
'Coz Im outta my head and outta my self control

(I wont eat and I won't sleep for you yeah)

Hey Youre playing with my delirium  
And the longer I wait the harder Im gonna fall  
Stop playing with my delirium  
'Coz Im outta my head and outta my self control  
Hey Youre playing with my delirium
