

Ace on an unbroken line,
Ace Of Hearts
Mariner of the time,
Another Ace Of Hearts
Sweet possession of cards
That you take
From each Victoria box
That you break

You break the Ace Of Hearts
But break too much
Hearts that cannot be defused
On your watch
Break the Ace Of Hearts

Draw closer to me,
Ace Of Hearts
Aces among the team,
Another Ace Of Hearts
Hearts to make yourself free
Yes, you will
Make free of the cities
Where time stands still

You break the Ace Of Hearts
But break too much
The bombs that cannot be DEFUSED
By your touch

Break the Ace Of Hearts
Break Aces Of Hearts
Break all Aces Of Hearts

Break the Ace Of Hearts
Break Aces Of Hearts
Break all Aces Of Hearts
