

Films will come and films will go,  
that kiss on your neck won't show.

Posing at the same place everytime,  
When you're still speaking in the sunshine.

Watching T.V. at 4 am.  
But that's not when she needs a friend.  
Staring at the bathroom floor.  
Please don't say you've got to go.

Posing at the same place to put things right.  
In your eyes, we're meeting in the morning light.

You've done it again, you've done it before.  
That kiss on your neck won't show.

Watching T.V. at 4 am.  
But that's not when she needs a friend.  
Staring at the bathroom floor.  
Please don't say you've got to go.

Watching T.V. at 4 am.  
But that's not when she needs a friend.  
Loose change from your pocket on the floor.  
Please don't say you've got to go.

Cheap thrills that this time I clasp.  
Cheap thrills that you'll dream about.

You've done it again, you've done it before.  
That kiss on your neck won't show.

Watching T.V. at 4 am.  
But that's not when she needs a friend.  
Staring at the bathroom floor.
