

Send Me a Postcard

Ladytron

Before loneliness will break my heart,
Send me a postcard darling.
How can I make you understand?
I wanna be your woman.
Here, here I'm waiting for a little sign,
Waiting 'til the end of time.
Send me a postcard darling.
Send me a postcard now.
Send me a postcard darling.
Send me a postcard now.
I can't take the lonely night,
I need someone I can turn to.
Look out for the day I get a little sign,
I want to know you're all mine, nowwww..now please don't let me
down, aint no lover like me in town. Send me a postcard darlin
