

Today

Lagwagon

As you expect here as the keys
So come and go as you please
What's mine seems to be yours
Welcome to my drawers

Today I heard them say a funny thing
They were happy you were clean
You were headed for success
in the mountains of excess

Today you fail them
Tomorrow more
Maybe I'll lend you some more cash
Don't have to play it back
I can depend on you
Dependent on everyone
Why am I guilty of my bending back
Over to breaking
The object
of some desire

Too late
Too late
Today I'm saving you

I must have finished my last care
with that beer
With some ideal
I might win while losing
That's some mentality I have
to finish talking
I'm finished talking

Today I heard a funny thing
They were happy you were clean
And you won't be looking back
to the one that helped you pack
