As you expect here as the keys So come and go as you please What's mine seems to be yours Welcome to my drawers

Today I heard them say a funny thing They were happy you were clean You were headed for success in the mountains of excess

Today you fail them
Tomorrow more
Maybe I'll lend you some more cash
Don't have to play it back
I can depend on you
Dependent on everyone
Why am I guilty of my bending back
Over to breaking
The object
of some desire

Too late
Too late
Today I'm saving you

I must have finished my last care with that beer
With some ideal
I might win while losing
That's some mentality I have
to finish talking
I'm finished talking

Today I heard a funny thing
They were happy you were clean
And you won't be looking back
to the one that helped you pack
