

## Resistance is Futile

Laibach

What we are you will become  
a parasite absorbing souls  
we'll suck your culture brains energy  
and plant your genes to our collective being  
Do not fight against us  
Resistance is futile  
And you will be assimilated with Blitzkrieg

Come to us  
Do not fight against us  
Resistance is futile  
We are Laibach  
And you will be assimilated  
Blitzkrieg

We'll raise the quality of life  
For all of you  
Existence as you know it is over
