

# Walk With Me

Laibach

Stop hanging around  
Doing nothing  
But wasting your time  
Come walk with me  
We'd better change the world

Stop fooling around  
Being useless  
Day in and day out  
Come walk with me

We'll change the world and its sound

Together we can always  
Walk through the terror  
And we'll know  
How to leave it behind

Walk with me  
Walk with me  
Monster of uncertainty  
Walk with me  
Walk with me  
Walk with me

How long can you go?  
Prisoners of freedom  
In your own land  
Come walk with me  
It's time to fight back

Don't turn away  
Take a stand and use the strength  
At your hands  
Come walk with me  
We'll change the world and its sound

Walk with me  
Walk with me  
Fill the streets with ecstasy  
Walk with me  
Walk with me  
Walk with me
