Dead dreams dropping off the heart Like leaves in a dry season Dead dreams dropping off the heart Like leaves in a dry season

How long do I take it

Can I start to change it

You know it's been a long, long time

Can I grow a new skin, can I try to begin again

Dead dreams dropping off the heart Like leaves in a dry season Dead dreams dropping off the heart Like leaves in a dry season

I am always waking, I am always shaking I think I know this might not end Can I dry the cold sweat Get out of this mess again

Dead dreams dropping off the heart Like leaves in a dry season Dead dreams dropping off the heart Like leaves in a dry season

Dead dreams dropping off the heart Like leaves in a dry season Dead dreams dropping off the heart Like leaves in a dry season

Ease into a new box, shoulder a new lot It's gonna be a long long time
A whirlwind among breezes
Doing what he pleases again

Dead dreams dropping off the heart Like leaves in a dry season Dead dreams dropping off the heart Like leaves in a dry season
