

## Fish For Nails

Laika

Let me out  
I'm a cloud  
I can't live here anymore  
Turn the sky inside out  
I can't live here anymore  
Fish for nails in a drought  
I can't live here anymore  
Always ash in my mouth  
I can't live here anymore

I can't live here anymore  
I can't live here anymore  
I can't live here anymore  
I can't live here anymore
