## Lake of Tears

Let me taste your lips  
Let me touch your skin  
With my fingertips  
I'm coming in

Your taste within my mouth  
Your scent upon my skin  
Your lipstick on my cigarette, fading

Let us live in sin  
When the lights go out  
I'm coming in

Your taste within my mouth  
Your scent upon my skin  
Your lipstick on my cigarette,
