

## Evil Inside

## Lake of Tears

Universal bond, we're all the same  
Evil man, not to be tamed  
Open your mind, and you will find  
You're just as evil, as evil as I

There's a little bit of evil, inside if you  
A little bit of evil, inside you too

Man of mercy, sinister disguise  
Cause I see evil, evil in your eyes  
Unmask yourself, and you will find  
You're just as evil, as evil as I

There's a little bit of evil, inside of you  
A little bit of evil, inside you too  
Evil ! Evil, evil, evil...
