

Floating in Darkness

Lake of Tears

Regeneration of so much frustration
Wanna kill tonight
Evil eye, twisted smile
Laughing as you cry

Intoxication of devastation
Need more and more
Gotta get you good, gotta get you hard
Wanna start a war

Gotta get you next, floating in darkness
Six six six
Gotta get you next, coming with pain
Chaos, darkness and pain

Fascination of uncreation
There's nothing you can say
You can't run, you can't hide
You'll never get away

No reflection, a new direction
Here to end your life
Wicked breed of evil seed
Laughing as you die

Gotta get you next, floating in darkness
Six six six
Gotta get you next, floating in darkness
Six six six
Gotta get you next, coming with pain
Chaos, darkness and pain
Gotta get you next
Gotta get you next
Gotta get you
