

Midnight Madness

Lake of Tears

Midnight madness and emptiness
In darkness, cold and lifeless

Where the sky is bloodred
Life's a wicked thing

Midnight madness, mist and sorrow
Hopelessness and no tomorrow

Where the sky is bloodred
Life's a bitter thing
Cold and dead
Black as burnt skin
Black as burnt skin!

Midnight madness!

Midnight madness
Midnight madness

Where the sky is bloodred
Life's a bitter thing
Cold and dead
Black as burnt skin
Black as burnt skin
