

## Parasites

### Lake of Tears

You think you know, you think you're real  
I say you'll know, i say you'll feel my cold  
hard steel

Call me insane, scream in vain  
Here comes the knife

You know no truth and never care  
You stab my back and say it's raining  
When you piss in my ear

Call me insane, scream in vain  
Here comes the knife you fucking parasite

To deep for you this mystery?  
Now know it's time losers like you  
Don't write history

Call me insane scream in vain  
Here comes the knife you
