

My Everything

Lalah Hathaway

If I could do it
All again
I wouldn't change a thing with you
Cuz I fell in love with
My bestfriend
How did I get so lucky
That's the way it goes
Even though every
Now and Then
Starts spinning fast
And we gotta hold on
My heart is in it
Tell the end
So if you start feeling like
I'm taking you for granted... You know

Ain't no illusions about what you mean to me
You are my everything
My Sunshine , my moonlight
Promise of every spring
You are my everything
So don't you let nobody try to pull us apart
Cause you Are (Cause you Are)
My everything
Beginning and ending
All that is in between
You are my everything

They say that you got it
Tell it's gone
But this love keeps going on and on
Can't even remember... My before
My heart belongs to you for forevermore
I'm just a reflection... Of your love
My heart skips a beat
When you smiling at me
It's like I always tell you
Your the One (Your the One)
So if you start feeling
I'm takin you for granted... You know

Ain't no illusions about what you mean to me
You are my everything
My Sunshine , my moonlight
Promise of every spring
You are my everything
So don't you let nobody try to pull us apart
Cause you Are (Cause you Are)
My everything
Beginning and ending
All that is in between
You are my everything

My Everything
You are my everything
You are... You are (You are... You are)
You are my everything...

You are... (You are...)
You are my everything... (Everything Yeah)
You are... You are...
You are my everything...
Yeah...

Ain't no illusions about what you mean to me
You are my everything
My Sunshine , my moonlight
Promise of every spring
You are my everything
So don't you let nobody try to pull us apart
Cause you Are (Cause you Are)
My everything
Beginning and ending
All that is in between
You are my everything
