

# That Was Then

Lalah Hathaway

Nah, nah, nahh... nah, nah, nahh... ohhhh  
Nah, nah, nahh... nah, nah, nahh... mmm-mmm  
Nah, nah, nahh... nah, nah, nahh... heyyy  
Nah, nah, nahh...

Going thru changes  
I'm back where I once began...  
Mmmmm...  
A distant stranger  
I used to know  
So long ago...  
Mmmmm...  
Yeah yeah yeah...

Enlighten me lighten me up  
Make me all over again  
Come on and let me in, yeah

It was like a lifetime pass right thru my fingers  
So long ago, so much that I didn't know  
Kinda like a light shined down and showed me how  
Gotta move on, that was then and this is now

Waking up it seems  
Am I the dreamer or the dream...  
Mmmmm...  
Is it possible to know (is it possible to know)  
Tomorrow unfolds too slow, yeah  
Yeahhhh... yeah yeah yeah...

Shaken me waken me up  
Clearing my vision again  
Seems like I'm born again...  
Ohhh-ohhhhhhhh

It was like a lifetime pass right thru my fingers  
So long ago, so much that I didn't know  
Kinda like a light shined down and showed me how  
Gotta move on, that was then and this is now  
That was then, this is now, ohhh...

Going thru changes  
Nah, nah, nahh... nah, nah, nahh  
Back where I was again, oh  
Nah, nah, nahh... nah, nah, nahh  
Going thru changes  
Oh, oh, ohhhhhhhh, ohhhhhhhh

It was like a lifetime pass right thru my fingers  
So long ago, so much that I didn't know  
Kinda like a light shined down and showed me how  
Gotta move on, that was then and this is now (3x)
