

# This Could Be Love

Lalah Hathaway

Sounds just like it, looks just like it, feels just like it  
Hurts just like it, feels just like it, real just like it  
Sounds just like it, looks just like it, feels just like it,  
Like this could be love  
Hurts just like it, feels just like it, real just like it  
Like this could be love  
Speechless he's just  
If I can only put it in words  
But I know that it feels good

He's my weakness  
I can't explain it how it works  
But to me he is real  
(And I hope I'm not wrong)  
And I got you that on  
Everything's still good  
But I know I'm losin control  
Cause I really don't know  
If I'm fallin in love  
Sounds just like it, looks just like it, feels just like it,  
Like this could be love  
Hurts just like it, feels just like it, real just like it  
Like this could be love  
Sounds just like it, looks just like it, feels just like it,  
Like this could be love  
Hurts just like it, feels just like it, real just like it  
Like this could be love

Ain't no secret  
This is somethin I wanna share  
But I can't be quiet  
Keep my secret  
We ain't gonna kiss and tell

I feel it so strong and it really turns me on  
So I can't deny, yeah  
I'm losing control  
But I really don't know  
I don't know what I'm gonna do  
You are the one for me  
If this is where I fall in love  
Fallin love  
Ain't no sense in holdin back, hey  
I'm goin out of my mind, yeah  
I'm losin all my sanity  
Losin control, oh babe

I think I maybe fallin in love  
Think I maybe fallin  
And it feels like love

Sounds just like it, looks just like it, feels just like it,  
Like this could be love  
Hurts just like it, feels just like it, real just like it  
Like this could be love

Sounds just like it, looks just like it, feels just like it,

Like this could be love  
Hurts just like it, feels just like it, real just like it  
Like this could be love

Sounds just like it, looks just like it, feels just like it,  
Like this could be love  
Hurts just like it, feels just like it, real just like it  
Like this could be love  
Love, ohhh  
Like this could be love...
